SUBJECT:

Regulatory Controls on Shortages of
Agency Funds

1. With reference to conversations among several of the addressees, there is forwarded for consideration by all a draft regulation prepared by [REDACTED]. As the text indicates, the regulation is intended to impose responsibilities on all for the proper custody and control of Agency funds.

25X1A9a

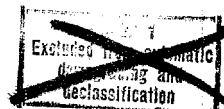

2. Comments are invited. Our thought is that if this meets with the general agreement of the addressees, we will forward it to the Executive Assistant to the Deputy Director (Support) for coordination and approval by the Deputy Director (Support).
